**RE: DOCKET NO. S-20692A-09-0372****In the matter of: Tanzia Reynolds, a married woman, Respondent**

To Whom It May Concern:

Please consider this letter my formal request to reschedule the pre-hearing conference scheduled for September 15, 2009, at 9:30 a.m. in the above referenced matter for a period of at least sixty (60) days. I am currently interviewing attorneys to represent me in this matter. I have not been successful in finding a firm I wish to retain and/or has the schedule available and/or has no conflict of interest. Therefore, I need additional time to procure and retain counsel, and allow for counsel to become educated on and familiar with my case and to appear with me at a pre-hearing conference to be held in the future.

I receive correspondence at the following address:

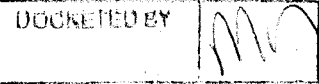

10645 N. Tatum Boulevard, #200-196  
Phoenix, Arizona 85028
